

LOCKER DOOR COLOUR OPTIONS

for Steel and Laminate Lockers

The UK's largest manufacturer of Pallet Racking, Shelving and Lockers

Standard locker body colour is Light Grey (RAL 7035)

STEEL DOOR LOCKERS

Standard Door Colours

Pastel Door Colours

We are able to match locker body and doors to any RAL colour to compliment specific environments or corporate colour schemes.

Call us on **08000 733 300** to discuss specific requirements.

Note: due to the limitations of matching painted steel to the printing process, colours illustrated on this page offer a good, but approximate guide. For exact colour reference, painted steel samples are available upon request.

LAMINATE DOOR LOCKERS

Standard Solid Grade Laminate Colours and Finishes

Flat Door Finish

As standard we provide laminate doors using the colours shown. We have access to a full range of colours and finishes by other laminate manufacturers.
